“Pirate” Marching Band 2011-2012 Commitment Form

It is necessary for all members and parents to be fully committed to the PMB schedule. Our band can not be successful without a total commitment from all. In addition to the fall competitions and football games, spring parades are a major part of the band’s community service mission. Members should be sure to note these parade dates, mark them in family calendars, and make arrangements in advance to be present at these events. Please review the schedule carefully and then complete the Commitment Form below. No member will be given a permanent marching position without making a total commitment.

Statement

“I understand the importance of making a total commitment to the “Pirate” Marching Band (PMB). I agree to attend all rehearsals, football games, and competitions. Further, I agree to participate in the Spring 2012 Parade Season, including Founder’s Day Parade, Memorial Day Parade, and the “P-Rade”. I will treat other members of the PMB with respect for their dignity at all times. Excellence will be the hallmark of my endeavors, and I will work hard to make a meaningful and “noteworthy” contribution.”

I have discussed becoming a member of the “Pirate” Marching Band with my parent/guardian.
We have both signed below, and I agree to participate in the 2011-2012 season.
