WW-P Marching Bands Win Honors Again!

The marching bands from High School North and South enjoyed another successful weekend at a U.S. Scholastic Band Association's competition in Piscataway.

Of seven Group I bands, the "Pirates" of High School South took First Place and won Best Overall Effect and Best Music. The "Knights" of High School North took third place and won Best Percussion.

The West Windsor- Plainsboro high school bands compete against bands from across New Jersey, Pennsylvania, New York, and other states in our region. The "Pirate" Marching Band will also compete in the USSBA National Championship that will held at the U.S. Naval Academy in Annapolis, Maryland in early November.

And of course, both bands spend their Saturdays revving up the crowds during the high school football games!

The High School South Marching Band is directed by Scott Collins and the High School North Marching Band is directed by Mark Bencivengo.
